

# INDONESIA - THE BECAK

Becak seat

In the cities everyone else, drives a motor bike or hires a becak. A becak is like a bicycle with a seat large enough for 2 people, set on 2 wheels at the front. The driver sits at the back and pushes you around the city.

• Tape tabs to inside of becak.

Fold like steps.

1. Colour and decorate brightly.
2. Cut out.
3. Fold down dotted lines.
4. Paste parts together.
