

Ellenbrook Christmas Pageant, 2015.

On 3rd December, 32 students from Year 2 to 6 participated in 'Christmas in Elfenbrook Pageant'. They dressed up in Indonesian costumes from Bali, Java, Kalimantan and Betawi. We were lucky to be able to work collaboratively with Ms Rose Ngatikao, founder and dance instructor of the Indonesian Dance Studio (IDS).

I have always hoped and encouraged students to appreciate the Indonesian culture and wish they will be able to use their skills to enhance cultural understanding which is important in developing a closer relationship between Australia and Indonesia. This cultural pageant also provides students with insight into the diversity of Indonesia and the Indonesian people. It will also assist and encourage students to further their interest in the Indonesian language and culture.

Thank you to Ms Sharon Lintern for assisting in our pageant. I hope the students had a memorable experience and develop a greater understanding of Indonesian culture, music and art.
